There are lots of facilities in the building refer to photos. This unit is a bit cluttered so there are three photos that have been Virtually Staged to show what the unit could look like. There are 119 Living Units in the building but there are only 59 Underground Titled Parking Stalls and 5 titled storage lockers. There are "NO" outdoor assigned parking stalls just a few Visitor parking stalls so with this said the buyer of this condo can not have a vehicle that they need parking for unless they want to find a nearby street that they could park on.
