It is hard to adequately describe this CUSTOM BUILT, UNIQUE, PERFECTLY MAINTAINED, WALKOUT bungalow home on a HUGE PIE LOT with amazing landscaping BACKING THE POND WITH GREEN SPACE AND WALKING TRIAILS. This house has so many features that make it unique as soon as you walk in. The front entry is large and open to the living and dining areas. The hardwood floors and vaulted ceiling with a view to the deck and pond behind make you stand in awe. There are lots of pushouts and different lines that make the house truly interesting. The kitchen is large and well planned with an island and newer appliances. The kitchen cabinets are cherry wood and have all the latest features. There is a window above the sink to enjoy that back yard. This entire living space is spacious and welcoming. The doors off the kitchen/dining area lead to a huge deck with steps down to the yard. Also on this main level is the primary bedroom with full ensuite and walk in closet. There is a second bedroom/office as well as a separate laundry room with sink on this level. Downstairs is another wonderful space with a warm family room with a fireplace, floor heat and door to that great yard. The patio is plenty large for lots of furniture and outdoor living. There is an 8xx12 ft shed on skids that has electricity that wires the fountain and lighting in the pond in this yard. There are many mature perennials in the yard that bloom at various times throughout the summer. Back inside to the

rest of the lower WALK OUT level are 2 very large bedrooms. The largest bedroom has a wonderful window overlooking the yard. The storage room is big too. The garage has heat as well as hot and cold water. It even has a floor drain. This home is in a quiet cul de sac and the new Valarosa playground is ness than 1/2 block away. Everything has been lovingly maintained and you would never guess that this home isn't much newer than it is. THIS HOME IS NOT COOKIE CUTTER, it really is distinctive and the custom work is evident.
